

We hope you had a relaxing and enjoyable break, and are excited to welcome you all back to school for the Summer term — one we've all been working so hard towards and eagerly anticipating! To confirm, **SATs week is scheduled to start on 13th May** and tests will be held everyday, Monday to Thursday. Please ensure that your child is getting a good night's sleep and arrives in school on time, each day.

Our history topic this term is Maafa which relates to Black History and the slave trade, and we'll be learning all about Light and Evolution and Inheritance in Science. In RE, we will be studying Theology and look forward to developing our skills in Athletics, Cricket, Rounders and Dance in PE. Our computing topic is 'Coding'.

We are also excited to welcome another special visitor to Year 6 this term as 'African Activities' will join us for a day full of exciting, creative activities. Additionally, we're very much looking forward to our picnic in Court Park, our visit to the Natural History Museum and our year group trip to Legoland.

Of course, PGL will take place this term; you will receive further communication soon and we plan to hold an information evening in the coming weeks, but please do contact us with any questions you may have or information that you feel we would benefit from knowing about your child.

For those children who are not scheduled to attend PGL, we have planned for a week full of exciting experiences. This will include out-of-school experiences as well as cooking, sports and more. Further information about the week will come soon.

We continue to advise that your child **reads for a minimum of 20 minutes every evening** and an adult/older sibling questions them about what they have been reading. We will be checking their reading records weekly and hope to see at least 5 reads recorded and signed by an adult each week.

Our **PE days will remain on Wednesdays and Fridays.**

Please ensure that you are **keeping up-to-date with your payments for the summer trips, PGL and eventually, the non-PGL events, as payment deadlines will soon be approaching.**

As always, please contact us on our year group email address: [year6@oakfarmprimary.org.uk](mailto:year6@oakfarmprimary.org.uk) should you have any queries at all.

Thank you for your support.

Year 6 Team
